

# SEE WHAT YOU'RE MISSING!

Take a look at the topics we've discussed in previous years.

## 2022 Speakers

Beth Griep  
.....

### Leadership for a Mobile Workforce

Many organizations are ignoring the critical role leadership plays in the decisions people make about their careers. In this session, Beth will share micro strategies that leaders can embrace to strengthen engagement, retention, and their talent pipeline.

Holly Burkett  
.....

### From Burned Out to Built Up: Strategies for Building Team Resilience

According to Gallup, over 76% of employees are experiencing some level of burnout. Join this session to learn leadership practices for equipping teams and employees with the resilient skill-sets and mind-sets needed to combat burnout and change fatigue in an age of constant disruption.

Howard Prager  
.....

### Make Someone's Day: Becoming a Memorable Leader in Work and Life

The most powerful words someone can say to you are "You made my day!" You have done something at the right time and in the right way that may inspire and motivate them, or get them unstuck. In today's challenging and stressful environment, we need Make Someone's Day more than ever.

Kiki Orski  
.....

### Smashing Silos: How To Turn A Silo Mentality Into Solution Thinking

Silos are those invisible barriers that prevent critical information from flowing properly. Everyone knows they are there but most don't know what to do about them. Join Kiki as she describes the who, why and what to do about silos presentation. Let her help you turn silo thinking into solutions thinking!

John Baldoni  
.....

### Grace Notes: Leading in an Upside-Down World

In a thought-provoking new keynote, John Baldoni demonstrates how leaders must demonstrate resilience in the face of adversity, provide clarity in times of uncertainty, and deliver hope when fear abounds. And do it all with a sense of grace that reflects humility, empathy and respect for others.

## 2020 Speakers

**Seth Greenwald** **Your Bold Journey to the Peak of Public Speaking Excellence**

There's no doubt that proficiency in public speaking is your indispensable tool for effectively delivering presentations, briefings and daily team messages in a clear, concise and compelling manner. However, did you realize that moving up one skill level to excellence in public speaking is considered a consolidating activity for leadership skills that will take your career to new heights of success?

**Vasudha Deming** **Thrive in Challenging Times: Seven Vital Actions for Long-Term Success**

This masterclass will guide you through reflection and practical actions to ensure a vibrant future for your small business or solo practice. You'll learn proven skills and strategies, take the first steps of a realistic road map for this (or any) time of uncertainty, and create a personalized Skill Assessment and Action Plan to support your efforts to thrive.

**Bill Walton** **Establishing A Managerial Covenant**

Bill will provide a roadmap on how to make sales leadership a strategic advantage in your organization – one that you can drop to the bottom line.

**Jonathon Westover** **The Intersection of Service and Leadership**

In Jonathan's session you'll learn about developing an authentic leadership style grounded in Servant Leadership Theory. It is a reciprocal process between self-discovery and learning about those you lead, the role of developing and applying leadership skills and competencies, and the importance of creating reinforcing positive feedback loops so our learning and growth becomes continual and self-sustaining.
